

EDUCATION

Degree/Certificate	Institute/Board	CGPA/Percentage	Year
B.Tech	Birla Institute Of Technology , Mesra, Ranchi	67.2% (Current)	2026
Senior Secondary	L.S College , Muzaffarpur	81.00%	2021
Secondary	St. Joseph's Sr. Sec. School , Muzaffarpur	89.6%	2019

PROJECTS

- We-care**
Dynamic and responsive full stack web application for medical facilities
 - Tech stack: MERN
 - Interaction between Patients and Doctors.
 - Feature include: Login/Signup for Doctors and Patients, online and offline appointments, find nearby Doctors, Audiovideo chat consultation.
- IPL Win Predictor**
A Machine Learning project to find out the win probability of an IPL match
 - Tools and technology used: Python, Logisitic regression, Pandas, NumPy, Strea milt.
 - Leverages logisitic regression to provide insights into the probability of a team winning an IPL match.
 - Analyze various match features, team performance and player statistics to offer real- timer predictions.
- Banking System**
Personal Project
 - Designed a C++ app demonstrating core banking actions through OOPs principles, effectively showcasing its real-world relevance in financial scenarios.
 - Equipped with functionalities like opening new accounts, checking balances, deposits, and withdrawals.

TECHNICAL SKILLS AND INTERESTS

- Programming Languages** :Python, C/C++, Java
- Developer Tools**: VS Code ,GitHub
- Skills**: HTML, CSS, JavaScript, react.js, node.js,MongoDB, Express.js

SOFT SKILLS

- Communication
- Adaptability, Team management , Problem Solving

AREA OF INTERESTS

- Data Structures and Algorithms, Web Development, Artificial Intelligence and Machine Learning

CERTIFICATION COURSES

- NPTEL Online Certification in Education for Sustainable Development**

Jan 2024 - Apr 2024

IIT KGP

ACHIEVEMENTS

- Ranked in the top 7 percent in JEE Mains Examination,**
